## CEREMONIES AND RECEPTIONS IN THE SPANISH BARN

Our 800 year old, Grade 1 listed building and Scheduled Ancient Monument is a venue not seen anywhere else in the English Riviera.

Rustic, with high beamed ceilings and parquet flooring, the Spanish Barn is the perfect blank canvas for couples who want to ensure their wedding celebration truly reflects their own taste and style. From flower walls and fairy lights to a live music stage and mobile gin bars, we can help you add your own unique touches.

With space to seat 200 guests for your ceremony and wedding breakfast and up to 300 for your evening reception, there is plenty of space to celebrate with your nearest and dearest.

Owing to the status of the Spanish Barn we recommend only using the venue during the summer months. If you are using the Spanish Barn for your ceremony and reception we offer a minimum hire period of 3-days. With these points in mind we ask that you give this due consideration.
